

ISO/IEC JTC 1/SC 27

Information technology - Security techniques

Secretariat: DIN, Germany

DOC TYPE: call for contributions

TITLE: **Second call for National Body contributions to WG 3 Study period on Tamper protection requirements and evaluation and identification of future Project Editors in this area**

SOURCE: Secretariat of JTC 1/SC 27

DATE: 2009-08-18

PROJECT: WG 3 Study Period

STATUS: As per resolution 8 (contained in SC 27 N7783) of the 38th SC 27/WG 3 meeting held in Beijing, China (May 2009) an extension of the **WG 3 Study Period on Tamper protection requirements and evaluation** has been agreed for another 6 months until November 2009 with the aim to identify potential material for a new WG 3 project in this area as well as candidates for Project Editors.

As per resolution 1 (contained in SC 27 N7777) of its 21 Plenary meeting in Beijing (May 2009) SC 27 fully supported the above-mentioned decision and resolved to launch a further call for national body contributions to this Study Period.

Some background information regarding this Study Period and intention of this request for contributions are provided Rapporteur's report contained in document SC 27 N7798.

Consequently, this document is being directed to the members of SC 27 inviting them to provide their responses to the above-mentioned request.

Submissions should reach the SC 27 Secretariat as soon as possible but no later than **2009-10-19**.

Please note! **As per Beijing resolution 1 (see SC 27 N7777) the actual deadline for sending responses to this request is 2009-09-30 but it has been extended until 2009-10-19 unless a National Body objects.**

ACTION: COM

DUE DATE: 2009-10-19
