This liaison contribution to ISO/IEC JTC 1/SC 27 is in response to SC 27 N6448.

ISO/IEC 27/WG 3 would like to indicate to ISSEA that it is still awaiting the final publication of ISO/IEC 21827.

ISO/IEC SC 27/WG 3 thanks ISSEA for the Liaison statement and for their comments and willingness to actively participate in the Secure Systems Design Study Period.

We have now received the final report for this Study Period (see N6653 attached) and will consider potential further work in this area at the next WG 3 meeting.

ISO/IEC SC 27/WG 3 welcomes ISSEA wish to participate in the early revision of ISO/IEC 15443 and ISO/IEC 19791.

ISO/IEC SC 27/WG3 continues to believe that the Liaison relationship between ISO/IEC JTC 1/SC 27 and ISSEA is of considerable value to both organizations.
